

# Caregiver

OF THE MONTH

## *Marla B. Bauler* has been named Moran & Goebel's June Caregiver of the Month

For the past two years, Reverend Marla Bauler has served as the Chaplain and Bereavement Coordinator at St. Johns Hospice located on the campus of St. Mary's Hospital. "Helping patients and being present with them, helping them come to peace and contentment is one of the most satisfying parts of my job," says Bauler.

Reverend Bauler, who likes to be called "Marla", also finds the second part of her role as Bereavement Coordinator, a rewarding opportunity to work with families who are struggling through the loss of a loved one. "Being there and walking with families who have lost a loved one and being able to reassure them is very rewarding."

Like so many individuals in a caregiver role, Reverend Bauler realizes the impact that patients and their families have on her life. "It is such a blessing to work with people. Our patients affect our lives as much as we affect theirs. As caregivers we see that life is short and should be cherished. We learn very quickly not to squabble over the little and unimportant things in life."

The Caregiver of the Month program honors Reverend Marla Bauler and the many others like her for the amazing work they do every day. We extend our thanks and pray that others continue to follow her example.
